

As a Brewster NY (Putnam County) resident, I am equidistant between New York and Hartford CT. My cable system carries CT stations; and it is easier (but still difficult) to get Hartford stations OTA.

I suggest that the stations below be added to the Putnam County list of significantly viewed stations.

WFSB, 3, Hartford, CT (formerly WTIC)  
WTNH-TV, 8, New Haven, CT (formerly WNHC)  
WUVN, 18, Hartford, CT (formerly WHCT)  
WXXX, 20, Waterbury, CT  
WVIT, 30, New Britain, CT (formerly WHNB)  
WCTX, 59, New Haven, CT (formerly WBNE)  
WTIC-TV, 61, Hartford, CT
